In the House a committee was ap pointed to investigate the facts of Ros-seau's assualt on Grinnell, and to report the same with resolutions looking to the vindication of the dignity of the house and the protection of its members.

Mr. Brigham submitted concurrent (bats, \$1.10 to 1 20 per bushel.)

resolutions requesting the President to inform forthwith the governors of the Several States of the passage, by congiless of the proposed constitutional amendment, so that the legislatures may retlat once; objected to by Mr. Leb-lond, some remarks followed which led to a decision by the speaker, that joint resolutions did not have to be submitted to the President for his signature.

CHARLOTT:, tine 16, 1866.—Cotton.

The sales of the week amount to about 50 bales. Middling sold to-day After some debate on special orders at 301, carrency. the bill restoring the Southern States to political privileges, the House adjourn-

### The War Commenced - Prince Frederick Charles in the Field.

BERLIN, June 6, via New York, June 16 .- Prince Frederick Charles leaves to morrow for the headquarters of the Prussian army in Selesta.

A Floreuse dispatch says great ex citement prevails in Venice, owing to the forced loan and the refusal of the municipality to co-operate in collecting cotton declined 1 penny.
Breadstuffs and provisions still have it A large number of inhabitant have fled the city to avoid concription.

### The Covernment Reform Bill in the British Parliament

LONDON June 5. via New York, June 16 .- The government reform bill was referred by parliament without division. It was the impression that the government would withdraw it, but no such indication was manifested.

### Great Panic on 'Change

LIVERPOOL, June 6 .- The failure of Arga & Martermans bank caused considerable depression. Their liabilities are heavy and securities few. The crisis on the continent continues and an appeal to arms is in vitable.

SE SOND DISPATCH. NEW YORK June 16 - 24 p. m. -- The steamer City of Paris from Queenstown, June 9th, has arrived, with still later

news from the continent. It is reported that the conference has been abandoned, consequent upon the demands of Austria, which rendered the mediations of neutral powers an impossi-bility Neutral's have broken off all ne gotiations in consequence, and it now re- Europe with \$2,087,000 in gold. mains for belligerents to negotiate among themselves, or inaugurate war. A

following article should be read and ponder L'outratte. Ti le ochoven than noshimes was cem-Austria's great move will be to seize Silesia. Prussia will probably commence the war, aild has already sent a circular to the deutral powers charging Austria with a flagrant breack of treaties.

Prussia's army comprises 452 battalions of infantry, 320 squadrons of avallariations of infantry, 320 squadrons of avallary and 1,086 pieces of field anillery. Italian volunteers number 95,000.

The Austrian army is now 900,000 men rank and file. It is supposed that 350,000 will operate against Prussia, and 250,000 against Italy. exclusive of the reserves. It is reported that if Prussia scizes Holstein the Austrians will cross the frontier:

paper without paying for it:

My observation enables me to state, as a foct, the publishers of newspapers are more poorly rewarded than any other class of men in the United States who invest are equal amount of labor, capital and thought. They are expected to do more service for less pay, to stand more sponging and dead heading, to puff as defend mere people without fee or hope of reward, than any other class. They credit wider and longer, get oftener cheated, suffer more pecuniary loss, are efficiently the victims of inspinced conficence than any other calling in the community people without fee of the content of the reserves. It is reported that if Prussia scizes Holstein the Austrians will cross the frontier:

Hy observation enables me to state, as a foct, the publishers of newspapers are more poorly rewarded than any other class of men in the United States who invested an equal amount of labor, capital and thought.
